BANTU KUMAR

COMPUTER & DIGITAL PROFESSIONAL

Dharamshala, Himachal Pradesh | +91 90150 22377
buntyoberoi451@gmail.com | buntyoberoi.github.io

PROFESSIONAL SUMMARY

BCA graduate with professional experience in front-end web development and digital project work. Experienced with responsive website technologies and content management platforms, with project exposure across technology, healthcare, education, governance and non-profit sectors. Seeking computer-related opportunities where I can use my digital skills and computer proficiency — including computer operator, back-office computer support, website / CMS assistance and digital operations roles.

PROFESSIONAL EXPERIENCE

Front-end Web Developer

Jan 2019 – Present

GAI Technologies | Dharamshala

- Contribute to front-end website development and responsive digital project work using HTML, CSS, Bootstrap and related web technologies.
- Work with WordPress and Drupal content management platforms, alongside GitHub and Adobe Photoshop.
- Project exposure includes organisations in technology, healthcare, education, governance and non-profit sectors.

Front-end Web Development Intern

Jun 2018 – Dec 2018

GAI Technologies | Dharamshala

- Completed practical training in HTML, CSS, Bootstrap, responsive design and media queries, JavaScript, Photoshop and WordPress.

COMPUTER-RELATED ROLES OF INTEREST

My priority is to join a professional organisation in a computer-based role where I can use my existing skills and learn its systems and processes.

Computer Operator / Office Computer Assistant	Routine computer-based office tasks, document preparation and digital records.
Back Office / Data Support	Computer-based back-office work, record updates and data handling, subject to employer requirements.
Website / WordPress / CMS Assistant	Website content updates, CMS support and digital operations using my web-development background.
Junior Digital / IT Support	Suitable junior support roles involving digital tools, websites and computer systems, with role-specific training where required.

INDUSTRIES I AM OPEN TO

I am open to computer-based opportunities in IT companies, digital agencies, hotels, travel and tourism companies, schools, healthcare organisations, offices and service businesses. These are target workplaces, not claims of previous employment in each industry.
